

Imaging Education Associates is pleased to offer...

Fall 2010 Weekend Registry Review Program for the RT in MRI!

Course Dates:

- November 20-21, 2010

Lecture Times:

- Registration begins at 7:00 am.
- Lectures will be presented from 7:30am until 4:30 pm on Saturday & Sunday of the course dates.

Didactic "Live" Course Location:

- 1055 Westlakes Drive
Building 3, 3rd Floor
Berwyn, PA 19312

Virtual Courses (streaming on-line videos):

- As an added bonus, all registrants of the "live" course will be granted FREE access to a "Topic of their choice" from the "virtual" course. *How to choose your topic will be described at the weekend course.*
- Attendees will have access to one "Topic" including three (3) on-line streaming video lectures for 1 year from the time of the review course, for the purpose of review and study.
- Attendees can select 1 from any of the 12 "Topics" that make up the virtual course. Each topic includes: 3 one hour on-line streaming videos (available on demand). There are 36 hours of on-line video lectures to choose from!

Accreditation:

- Each day of the weekend session includes 8 hours of lectures.
- 8 hours x 2 days (Saturday and Sunday) for a total of 16 category "A" credits for the course.
- Each weekend session is approved for 16 category "A" credits by the SMRT

Registration Fees:

- Early bird discounted price, if paid before **October 1, 2010** - \$375.00
- Standard Price if paid after **October 1, 2010** - \$450.00.
- Includes 16 hours (live lectures), 16 category "A" credits, on-line (printable) handouts, and selected virtual video lectures (available on-line and on-demand).

To register:

- Visit www.imaginged.com
- On the left of the home page (Click Weekend Courses – Click Add to Cart – Click Checkout).
- Or from the center of the home page...I want to enroll in...MRI, Live, Weekend,..and follow the steps!
- Payments can be made
 - On-line using our secure partner with PayPal
 - By check, send to the address listed below

Contact Information:

- Imaging Education Associates, LLC.
P.O. Box 2185
Boothwyn, PA 19061
610-727-4174

Cancellation policy:

- Written notification of cancellation, or change in program date, must be received 2 weeks prior to the program for a refund (**minus a \$100.00 service charge**). **No refund after the course begins.**
- In the event of low registration, course may be cancelled. In this case a full refund will be granted or registration fees can be used for another course. Course cancellations are rare and would occur no later than 4-6 weeks prior to the scheduled course date.

The Faculty:

- MRI lectures are presented by **Carolyn Kaut Roth, more commonly known as "Candi"**. Candi is currently the founder and Chief Executive Officer (CEO) of Imaging Education Associates (IEA). IEA provides live and on-line courseware for the Registered Technologist (RT). Ms Roth has been a registered technologist since 1977, and has worked as an RT in radiology and has specialized in MRI, CT and cardiovascular Imaging. From 1989 until 2006 Ms Roth initiated the MRI Internship program at the University of Pennsylvania and served as Director. Candi was among the founders of the MRI Society for Technologists (Section for Magnetic Resonance Technologists – SMRT). She has served on a number of committees within the society as well as holding the office of President. She has presented literally thousands of lectures in MRI, CT, Mammography, Radiography, and Cardiovascular Imaging in locations including, but not limited to: 48 of 50 United States, Canada, England, Ireland, Scotland, Germany, Japan, Australia, New Zealand and several of the Caribbean Islands. Ms. Roth has authored and co-authored numerous books and publications including the ever-popular "MRI in Practice".

Course Materials:

1. Downloadable / printable handouts will be provided prior to the meeting for those who wish to have copies of the speaker slides during the lectures. *In an attempt to remain "Green" we do NOT provide printed course syllabi. By offering downloadable handouts, you can either print your handouts or view them on your computer!*
2. Virtual copies of the SNAC book will be provided to all attendees. The virtual book includes:
 - a. On-line SNAC Book Basic & Advanced Principles of MRI, Registry Review...The text.
 - b. On-line post test for credits (accredited for 6.5 category "A" credits).
 - c. Five, On-line mock tests, with unlimited usage for one year.
3. All course attendees will be provided with a selection of "One virtual topic" from among our library of on-line MR video lectures, with unlimited usage of this "topic" for one year! Directions for selecting this lecture will be provided at the course.

Lodging:

- Residence Inn
600 W. Sweedesford Rd.
Berwyn, PA 19312
(610) 640-9494

*Discount rated mini suites available from \$94-\$99 per night! (Prices may vary depending on hotel availability)
