

Continuing Education for the RT in 2010!

For those Registered Technologists who have always wanted to specialize in: MRI, CT, Ultrasound, &... coming soon: Mammography & Cardio-Vascular/Interventional ...DON'T WAIT ANY LONGER!

Imaging Education Associates (IEA) is pleased to offer several educational opportunities for: The Registered Technologist (RT) to get **ADVANCED CERTIFICATION** before "CQ 2011"!

What is "CQ 2011"?

Any advanced level examination taken January 1, 2011, or after, will have to be RE-CERTIFIED EVERY 10 YEARS! (For more information on CQ2011, visit www.arrt.org)

What Type of Advanced Courses are Offered?

Imaging Education Associates offers courses with schedules that are convenient for the *working* technologist and/or for the technologist who is interested in becoming certified in an "Advanced Modality". Courses Include: Evenings, Weekends & ON-Line courses (with streaming video lectures, available ON-Demand!)
